EQUI-BITES

EQUI-BITES

Fully supplemented vitamin and mineral treats which can be used as a 'top up' for leisure horses and ponies, can be fed straight from the hand

- Each treat is low in starch, sugar and calories
- Highly palatable with added herbs
- Contain our QLC antioxidant complex
- Suitable for horses and ponies prone to laminitis
- These treat sized bites can be fed from the hand or sprinkled on top of an existing diet

Additional care for performance, well-being and recovery

For feeding by hand to your leisure horse or pony at grass

Equi-Bites is a complementary feed specifically for horses and ponies.
