

DODSON & HORRELL

ANIMAL HEALTH, NUTRITION AND WELL-BEING

FEEDING SUCCESS

SHINE

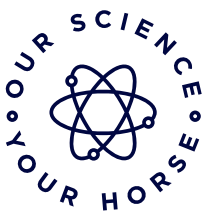

RAPeseed OIL

RAPeseed OIL

Rapeseed Oil is an excellent source of slow releasing energy and omega 3 fatty acids. It is useful both for horses that require stamina and for those that need to gain weight.

Additional care for performance, well-being and recovery

Conditioning oil to promote coat shine and weight gain

Rapeseed Oil is a feed material for horses.

Composition

Vegetable Oil (produced from Rapeseed)

Analytical Constituents

Crude Oil	99%
Omega 3 fatty acids	9.25%

Feeding Guide

Introduce Rapeseed Oil to the diet gradually.

Ponies & smaller horses up to 150ml per day
Larger horses up to 300ml per day

For horses in hard work this can be increased up to 575ml per day, if required.

When used in smaller quantities (approximately 15-30ml per day), Rapeseed Oil helps to support healthy skin and coat condition.

Do not exceed the recommended feeding guide without consulting Dodson & Horrell or your veterinarian.

The best before date is shown together with the batch code. Store in a cool dry place.

Registration No: GB 033 E0563

Pack sizes:

5ltr
